RE: The critical need for unrestricted grants for America's small businesses

Dear Majority Leader Schumer, Minority Leader McConnell, Speaker Pelosi, and Minority Leader McCarthy:

The COVID-19 pandemic has left America's small businesses and entrepreneurs on the brink of collapse through no fault of our own. Having reached the grim one-year anniversary of the COVID-19 pandemic shutting down the U.S., we continue to struggle to keep our doors open. While the Paycheck Protection Program (PPP) and the Economic Injury Disaster Loans (EIDL) provided a crucial lifeline for many businesses, the programs' rollout, technical errors, and restrictive loan parameters caused many small businesses—especially newer businesses and under-resourced communities—to fall through the cracks. This is why we still need more robust and unrestricted direct grant support.

With each day that passes, funding and relief dries up and we are left to continue to figure out how to keep our employees paid and our doors open. And we're not alone—[40% of small business Owners](#) recently reported they will need no-cost grants or zero interest loans this year to keep their business open.¹

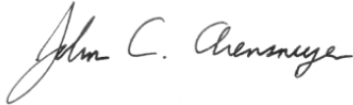

That is why we are calling on Congress to provide more grant funding—because only we can determine how best to utilize the funding to keep our businesses open. This has strong support among other small businesses, with [91% of small businesses](#) saying they want Congress to pass legislation authorizing direct grants.² New grant programs for live venues and restaurants were a
